

Holy Face of Jesus

**This is a true picture of the Apparition of God,
God the Father that took place in Bergamo, Italy in 1932.
God the Father wants to be honored in the Three Persons.
This is all true and all valid.**

God, God the Father wants to be honored in the Three Persons.

**Jews this means God, God the Father is the Three Persons.
Father, Son and Holy Spirit.**

Jews this all means you must all accept God in the Three Persons.

Jews if you do not accept God in the Three Persons, this is wrong.

Jews do not blame others.

Jews blame yourselves for your stubbornness, for not accepting God in the Three Persons.

Jews no more excuses. Jews, again not to accept God in the Three Persons is wrong.

Jews, no more making any justification, and no more making any plea.

God is the Three Persons, Father, Son and Holy Spirit.

Jews when you are praying to God, you are praying to God in the Three Persons.

Even if you just say that word, God, Jews you are meaning God in the Three Persons.

If you do not accept Jesus, you the Jews are not accepting God.

Jews, again you can no longer make any justification or any plea.

Jews, not to accept God in the Three Persons...

The Jews will have to answer to God, God the Father in the Three Persons.

God in the Three Persons... God the Father, Son and Holy Spirit.
